Learning Together at Home Week 11

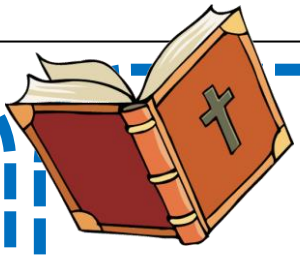
Hello Boys and Girls!

(and Mum's and Dad's)

This is a still little different for us. Our church building isn't open today because it is important that for a little while we stay with our families in our homes so that we can be kept safe and don't get sick so remember to keep washing your hands and *remember that God is always with you!* Even though we are not in church, we still can have fun and learn together!! So as you sit in your house, your friends from church are in their house learning the same as you!

Let's PRAY Together

Dear God. Thank you for creating our world for us to live in. Please be with children in our world who do not have as much as we have. Help us as we learn more about you today, Amen



Let's READ Together

This week we are learning ***about Creation Day 6***

Get your Bible's and turn to

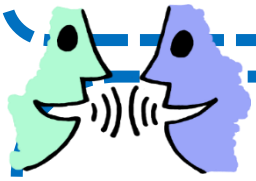
Genesis Ch 1 verses 26-31

or look it up in your children's Bible

Let's WATCH Together

God's Story - God made People

https://www.youtube.com/watch?v=ZZPfCWV81pE



Let's TALK Together

1. Can you remember what some of the things were that God made on days 1-6?
2. What was the final thing God created?
3. How did God make Adam?
4. What was different about Adam from all the animals?
5. Who was the first woman?
6. What did God say about all that He had created?

Let's LEARN Together

After God created our world – He made His most precious creation - PEOPLE!

Our bodies are a wonderful creation, but it's not just our bodies that make you such a special and different creation. God breathed into the body of the first man Adam – and that He became a living being. That had happened to nothing else that God created. The Bible tells us that God made you fearfully and wonderfully – exactly how he wanted you. All the different parts that make you YOU, were chosen by God – just how he wanted it to be – and the amazing thing is – that no one else is like you! You are SPECIAL TO GOD. The Bible tells us that we are made in IMAGE OF GOD. Nothing else was created in the image of God. We were made to know our creator, to have a personal relationship with him, to talk to him, God loves you and cares for you more that you will ever know! God wants you to worship him and thank him for making you, just the way you are!

LET'S LEARN THIS VERSE FROM THE BIBLE TOGETHER…

"So God created mankind in His own image, in the image of God he created them, male and female He created them." Genesis Chapter 1 verse 27

Questions to think about

1. **Why are you so special to God?**
2. **What does it mean to me made in the image of God?**
3. **What are some the skills and talents God has given you?**
4. **What should we say to God every day for what He has done for you and for how He has made you?**
