### Updated Covid guidance issued by PCI

Due to the prevalence of covid infection it has been decided centrally to require the wearing of masks during worship again and not simply on exit and entry – unless medically exempt.

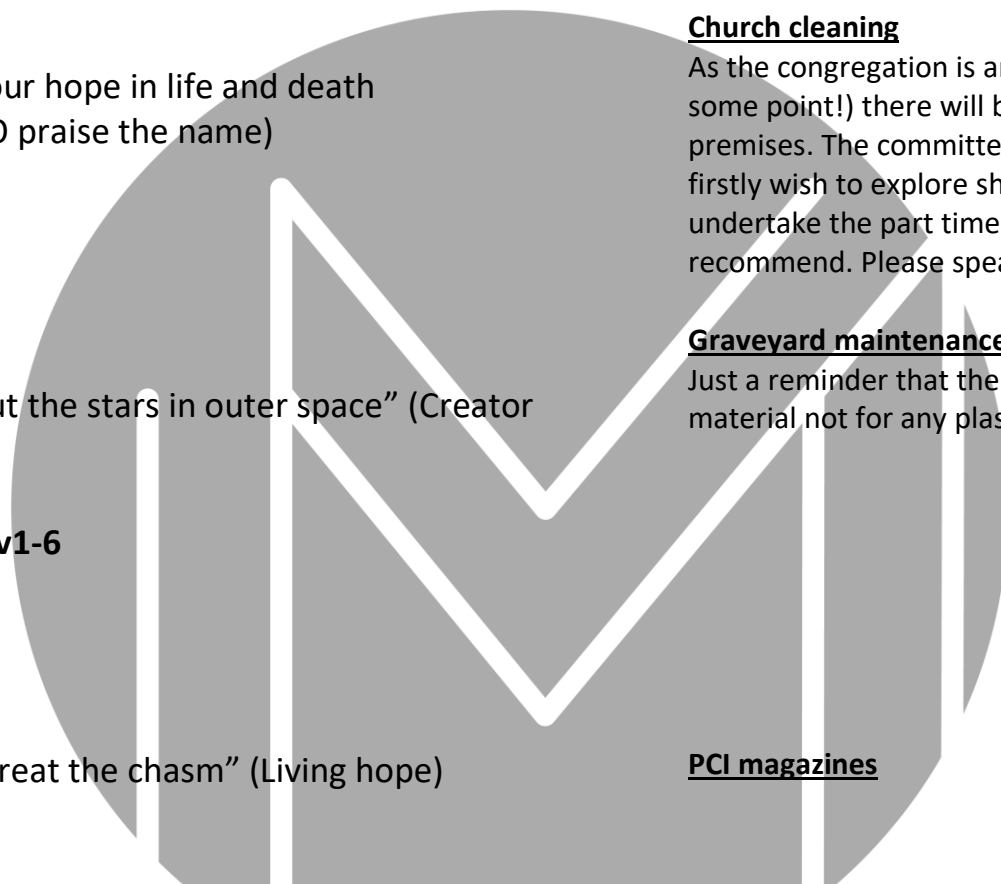

### Church cleaning

As the congregation is anticipating moving back into regular activities (at some point!) there will be a need for more regular cleaning of the premises. The committee has been exploring options on this – but would firstly wish to explore should anyone from the congregation wish to undertake the part time paid role – or know if anyone they might recommend. Please speak to Andy Irvine for more info

### Graveyard maintenance

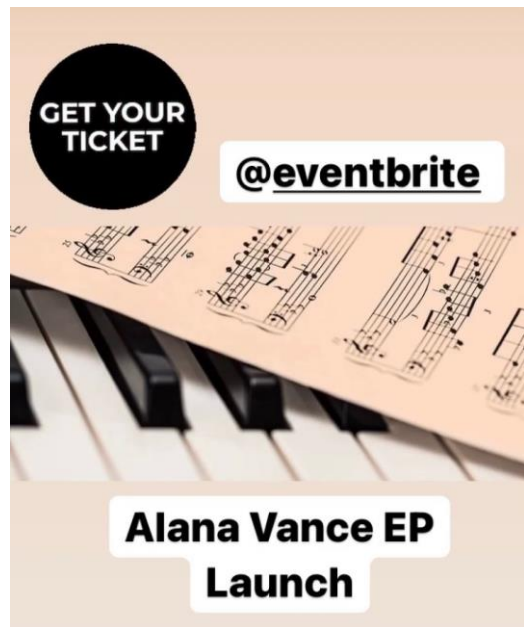

Just a reminder that the large skip in the car park is for recyclable green material not for any plastic waste or artificial flowers
