

## Maze Presbyterian Church Parents and Toddlers

### Code of Conduct

So that our group can be welcoming, inclusive and fun for all, we have a few pointers to ensure that this can happen.

1. Please supervise your child/ren at all times. If you have to leave the room, please make sure you ask someone to keep an eye on your child/ren.
2. Please respect leaders and other members and their children. Physical or verbal abuse will not be tolerated.
3. Please take care of equipment and property and encourage your children to do the same.
4. The consumption of alcohol, use of drugs and smoking / vaping are not permitted in the church building or on church grounds.
5. If you are taking photographs/videos, these should only include your own children. Please respect the privacy of other members by ensuring that they are not in the background of your photos. Photographs of other children should never be posted anywhere on the Internet without consent.
6. Please encourage your child to engage with our routines by modelling them yourself! For example, during our “tidy up” time or in participating in our singing and story time.
